

Children's Christian Education at North Shore Assembly of God

Breakout is designed to move your child toward spiritual maturity. It uses a four part curriculum that will help them to Know Christ (3rd Grade), Grow in Christ (4th Grade), Serve Christ (5th Grade) and Share Christ (6th Grade).

Who attends Break Out?

Parents and children attend together. Unlike other Children's Ministries, parents stay and help their child work through the lesson with other kids their age. We see this as a benefit for both parents who want to grow closer to their children and for children to see their parents as sources of spiritual wisdom, as God intended.

If a parent is involved in a pre-service ministry, volunteers are on hand to help your child.

What Is In Each Lesson?

Each lesson has three sections designed to move children from knowing something to doing something. Students are given thought-provoking questions and fun activities to reinforce the Christian values of lesson.

Why Grades 3-6?

Upper elementary is a crucial stage in children's spiritual life because that is when they begin to develop their own sense of what it means to follow Christ. An emphasis on salvation and biblical understanding is key at this age because they are beginning to make their own choices. Our goal is to show them the way of Christ, help them discover the gifts He has given them, and equip them to serve Him both now and in the future.

What Is the Cost?

The cost is \$30.00 for each year-long session, due on the first day of class. That cost includes: the Student Book, Family Take-Home lessons, snacks and prizes. While these costs are important to ensure quality materials, **no child will ever be turned away.** Please speak with Pastor Anders if the cost is a financial hardship for you.

When Is Break Out?

Classes meet every **Sunday morning from 9:30 to 10:30** running during the Fall Life Group session (September through December). Sessions run twelve weeks, ending with a special awards breakfast in December.
